

BLUE DART

AFFILIATE PROGRAM (BDAP)

An Industry First Partnership opportunity for enablers to be associated with Blue Darts affiliate program - Together Stronger

BLUE DART AFFILIATE PROGRAM (BDAP)

The Blue Dart Affiliate Program (BDAP) is about collaborating with large technology SaaS players to serve our customers with the best-in-market technology and logistics services. The Affiliate Partner will assist Blue Dart to reach out to more customer and support these customers with their technological offerings thereby enhancing customer journey. Through such collaboration with best SaaS players in the market, Blue Dart intend to build one stop solution to give our customer the best customer experience while enhancing our core service offerings.

Through this affiliate program, we are thrilled to collaborate with leading SaaS players and extend an open invitation to more such partners to join forces with the #1 integrated logistics solution provider. Together, we envisage a strong and growing long-term partnership, driving mutual success with our affiliate program partners.
