

Information Security Management System Policy

Blue Dart Express Limited is dedicated to maintaining and enhancing the security of its information assets by adhering to the Information Security Management controls established by our group company, [DHL]. (Information Security Policy - DHL Group)

At Blue Dart Express Limited, we are committed to:

1. Complying with the Group company's policies and procedures for information security.
2. Monitoring and regularly assessing the implementation and effectiveness of these controls within our operational scope.
3. Ensuring that all employees and partners understand their roles in supporting information security and adhere to the established protocols.
4. Protecting the confidentiality, integrity, and availability of information, while ensuring compliance with applicable legal and regulatory requirements.

Blue Dart Express Limited is dedicated to the continual improvement of its Information Security Management System, ensuring a robust and secure information environment. This approach aims to mitigate risks associated with potential security threats while strengthening trust and confidence among our clients, partners, and stakeholders.
